

**ABC Elementary**  
Parent Notification  
RTI Process  
(Response to Intervention)

This notification is to inform you that we are initiating the RTI process with your child. \_\_\_\_\_ is exhibiting delays in one or more core academic areas. During this process, we will be completing in-depth diagnostic assessments that will be used to develop goals that specifically meet your child’s unique educational needs. Specific interventions will be created to help reach the goals written.

If you have any questions concerning the intervention and diagnostic process, please contact Diana Larsen, Principal, at 555-5555.

I understand I have been notified and acknowledge that ABC’s school-wide team will be assessing, developing and implementing interventions for my child.
