

**Parents will receive an invitation by phone or letter to visit with a team of reading experts to assess if more specific reading interventions should take place. Possible referral to special education for more intensive services.**

Intensive Reading Class

**Parents are notified that their child needs a more intensive approach in addition to the interventions already provided.**

Tutoring (in addition to Reading)

Individual and Small Group – average 20 minutes

**Parents are notified by letter that their child isn't making expected progress and some additional help in reading is needed.**
