All Educators for All Students

Top 10 Ways to Succeed with RTI

10. Start Small....Don't over commit!

9. Invest the resources to know what you're doing

8. Be supportive of failure – no one fails alone!

Top 10 Ways to Succeed with RTI

7. Promote it, don't sell it
6. Let innovation spread naturally. If it is better than what came before, it will be naturally reinforced.
5. Change how you think
 - Know the “Whys” as well as the “Whats”
 - “How can we?” vs “Why we can't”

Source: David Tilly, 2005

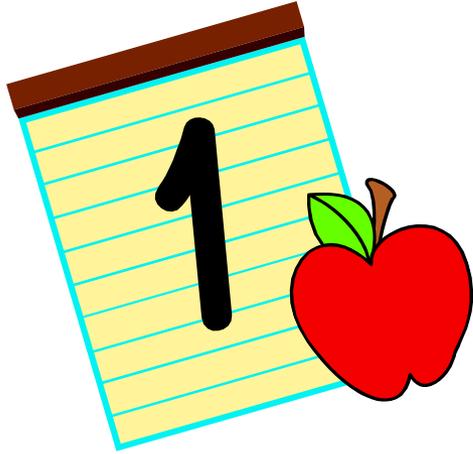

Top 10 Ways to Succeed with RTI

4. Be in for the long haul, not the short burn
 - 3 to 5 years planning and implementing
 - Include all stakeholders
3. Give away credit
 - Do it as a team, not an individual
 - Make sure all contributors are recognized
2. Support knowledgeable Leaders

Top 10 Ways to Succeed with Innovation - Revised

AND the #1 way to succeed with innovation:

1. Work smarter....not harder!
(we already work hard.)
