RTI Essential Components

- Assessment and Progress Monitoring
- Research-Based Curriculum and Instruction
- Collaborative Teaming
- Data-Based Decision Making and Problem Solving
- Fidelity
- Family and Community Involvement
- Leadership

Connecting the Components

- What are you currently doing in each of the component areas?
- How do you know that your interventions or instruction, and the results, are replicable?

The Purpose of a Schoolwide Intervention Plan

- Reinforces fidelity of implementation
- Acts as a guide for instruction
- Ensures that students with the same instructional needs, receive similar interventions . . . EVERY YEAR
- Assists with tracking student interventions and data
- Outlines responsibilities

What is a Schoolwide Intervention Plan?

- Most RTI schools have many of the components of a schoolwide intervention plan, BUT they have never formalized the system.... **WRITE IT DOWN!**
